

TeacherTech[®] Principal Form

Form for Principal (or other School/District Administrator)

Applicant must print this form and have the principal read, complete, sign and fax to 816.842.7907.

TeacherTech, a program of UpLink, is dedicated to improving math, engineering, science and technology education in the Greater Kansas City area. TeacherTech develops business-education partnerships that give K-12 teachers hands-on professional development experiences with local employers. Teachers complete a project for an employer and are paid for their work. These experiences encourage teachers to transform teaching and learning in their classrooms and schools.

For more information, please contact 816.842.7082 or visit the UpLink site at yf-uplink.org.

Principal must complete and sign this portion, then fax this form to 816.842.7907.

1. I endorse _____ (teacher's name) for a TeacherTech externship.
2. To my knowledge, this teacher has or will have a continuing contract with our district for next year.
3. I understand that a primary goal of TeacherTech is to encourage teachers to translate industry or research experience into classroom and professional development activities.
4. If this teacher is awarded an externship, I agree to support her/his efforts.
